**Cool Beanz**

**Coffee Co. ®**

**A Sip Above the Rest**

## Our Story

At Cool Beanz we believe in savoring the good things in life. To us, that all starts with a good cup of joe. That's why all the coffee we serve is made from sustainably sourced and organic beans.

So whether you are enjoying a beautiful sunset, laughter with friends, or a day out on the town, we invite you to enjoy it with our top quality coffee here on the Central Coast.
